

Delphia 29

The high standard equipment specification offered with the Delphia 29 puts it firmly in the luxury cruiser class. On deck, she is particularly well organized with all lines easily handled from her spacious cockpit and including standard features such as lazy jacks and roller furling headsails.

The Delphia is available with either a fixed Fin keel or Lifting keel versions. The mast can be fitted on a special mounting enabling it to be lowered rapidly for passing under bridges and for easy stepping by the owner if required. The use of this special "gate" makes such an operation very easy and safe.

Her performance under both sail and power is outstanding. She is fast, stable and easy to handle by both experienced and novice sailors alike, inspiring confidence and enjoyment.

Particular attention has been paid to her layout in terms of space-utilization and comfort.

The interior has a light and spacious feel with the main cabin featuring an excellent galley area with ample storage and working space, and two settee berths either side of a full-size

folding centre table. Large hanging locker or Chart table options.

The spacious, light and well finished interior of the Delphia 29 gives a feeling of homeliness and quality.

The large folding cabin table can accommodate the whole crew.

The separate forward cabin has two comfortable berths that can be converted to a double with an insert.

The galley area is ergonomically designed with good light and ventilation, numerous lockers, drawers and shelves for comfortable use, and can include a stove with oven, sink with hot and cold water and a refrigerator.

All crewmembers, irrespective of their age will feel safe and comfortable on this yacht.

The Fore cabin has a generously sized double berth & storage lockers. The excellent Aft cabin has a large double bed and ample stowage area.

The separate heads contains a toilet, basin and shower with a drying space for wet weather gear.
